

**As an out come of April 2016 campaign, 111 couples (Okhaldhunga-107, Udaypur-4) received a Joint Land Ownership (JLO) certificates in the total area of 17.97 hactares of land.**

#### Agreement on Joint Land Ownership (JLO) Certificate

Tekraj Bhattarai has understood that Joint Land ownership (JLO) certificate movement has benefited male along with female. He was married to Bimala Dhamala from Kuntadevi VDC at the age of 22 and now they have two daughters. With the realization of the importance of higher education for his daughters, he went to Saudi Arabia so that he can start earning. But time and again he was worried because of the news he used to hear about the elopement of his friends' wives where the women took away all the earnings of their husband. He was frightful about what might happen in the future and if it might happen to him he would become helpless.

As he got back to Nepal after five years for a vacation he was very happy to know about the Joint Land ownership initiation taken by the land right forum. After consulting with his wife in order to increase trust for each other they made JLO in 0.42 ha Land.

## Happy to get land certificate

27 members of Rajdevi Land Right Forum of Lahan Municipality ward no. 13, 14 families of Bastipur got Village Block land certificate. They have been actively participating in land movement for the last 12 years. Rikma Bishwokarma, president of Rajdevi VLRFB said – We have been able to get the land certificate of this land only after struggling and doing multiple movements from more than a decade. The Village Block land was measured five years back but the certificate was not distributed. Distribution of the Village Block land certificate started from April 2016 only after a delegation of members from VLRFB and DLRFB of Siraha went to District Land Revenue Office in March. Further, 259 families from Bastipur got the land certificate.
