1. Introduction:

This report covers the period from July to September, 2013. The main purpose of this report is sharing progress, learning and challenges among the collaborative and supporting organizations and concerned stakeholders at all levels.

2. Major Achievements

The major achievement during the reporting period of (July to September, 2013) is as follows:

- i. The first draft of the National Land Policy has been prepared on the basis of consultation and submitted review reports on sectoral national policies and international land policy. The first draft of national land policy has been distributed to various experts; receiving their feedback is ongoing.
- ii. Published 10,000 Copies of Booklet on Land Use Policy which has been an effective sensitization tool. The published booklet has been disseminated widely.
- iii. With an ultimate aim of encouraging the members of VLRF, collecting the basic information, identification of issue and movement fund collection; NLRF renovation campaign has been carried out in Lalitpur district. During which the campaign has been reached out in total of 12 VLRF of Lele, Bhardeu and Chaughare, Debichaur VDC of Lalitpur. Apparently regular meeting is being held in community level whilst Tenancy, Guthi, Public Land, *Benissa* has been identified as an existing issue in the Lalitpur on the domain of land. Further personal file of 14 hh under Benissa land and 26 hh under public land has been prepared with it.
- iv. VDC level orientation was held for the implementation of Land Use Policy. There was a total 65 participants (Female 40, Male 25, Dalit 9 and Janjati 13). Through the program community level people has been much alert about the ongoing process of policy level works. Further the feedback has also been collected form grass root level with regard to the implementation of Land Use Policy. Moreover Community level interaction was also held with the presence of 20 participants (20 Female, 20 Dalit). As per which *Ward Citizen Forum* has taken ahead the work of ward level discussion and the works of land use mapping.

- v. A total of 22 frontline leaders (6 Female, 6 Dalit, 30 Janjati) covering 21 VLRFs have been facilitating land rights campaigns. The front line leaders have been strengthening the people organisation at the community and district level. The frontline leaders have been mobilized in Lele, Godamchaur, Devichaur, Bhattedanda, Chapagaun, Chaughare, and Nallu to conduct campaigns and form VLRFs.
- vi. During this reporting period, a total of 10 couples received a Joint Land Ownership Certificate covering the area of (16 Ropani 2 Aana 3 Paisa) 0.82 hectare of land. It has enhanced the number of women inheriting equal share of land.
- vii. CSRC's Sixth National Annual Social Audit was organized on 30th August, 2013. Social audit has helped the organization to strengthen its good governance. Stakeholders are well informed about the organization's activities, achievements and financial transactions. Social auditing process has been empowering for both the organisation as well as the rights holders. Thus, strengthening the ownership of initiatives by targeted communities and enabling an environment to learn and gain insight into own works through feedback and input received from stakeholders. This has helped CSRC to improve performance and ensure accountability and transparency.
- viii. The numbers of policy level initiations were made very effectively during the reporting period. The top leaders of political parties have agreed to put land reform issues in their election manifesto in specific after the consultation. The NLRF team met with the various political parties with written position paper to request the implementation of scientific land reform on behalf of landless and tenant farmers and include the land and agrarian issue in their election manifesto.
- ix. CSRC is leading the preparation of an International Convention on Economic, Social and Cultural Rights (ICESCR) Alternate Report. International Convention on Economic, Social and Cultural (ICESCR) shadow report is drafted and held five regional consultations and cases collected from all regions on different issues. Different regional and national consultation workshops have been carried out following the field visits in various target groups as Raji, Badi, Musahar, Tenants, Chepang, etc to prepare the report. In order to bring the genuine issues, some case studies have also been carried out. The cases follow- land rights violation, land ownership of women and Dalits, etc.
